Part A – TRAVEL PROTECTION
Trip Cancellation/Trip Interruption: The Insurer will pay a benefit, up to the maximum shown on the Schedule of Coverage and Services, if You are prevented from taking or continuing Your Trip due to the following Unforeseen events:
a) Sickness, Accidental Injury, or death of You, Your Traveling Companion, or a Family Member or Business Partner of You or Your Traveling Companion which results in medically imposed restrictions as certified by a Physician at the time of loss, preventing Your continued participation in the Trip. A Physician must advise cancellation of the Trip on or before the Scheduled Departure Date.
b) Strike that causes complete cessation of services for at least 24 consecutive hours.
c) Weather which causes complete cessation of services of Your Common Carrier for at least 24 consecutive hours.

d) You or Your Traveling Companion are terminated or laid off from employment subject to three years of continuous employment at the place of employment where terminated.
e) You or Your Traveling Companion are hijacked, quarantined, required to serve on a jury, subpoenaed or required to appear as a witness in a legal action, provided You or a Traveling Companion are not a party to the legal action or appearing as a law enforcement officer, the victim of felonious assault within 10 days of departure; or having Your principal place of residence made uninhabitable by fire, flood, or other Natural Disaster; or burglary of Your principal place of residence within 10 days of departure.
f) If within 30 days of Your departure, a politically motivated Terrorist Attack occurs within the territorial limits of the City listed on Your itinerary. The Terrorist Attack must occur after the Effective Date of Your Trip Cancellation coverage.
g) You or Your Traveling Companion who are military personnel, and are called to emergency duty for a disaster other than war or are called to active military duty, have their leave revoked or are reassigned for reasons other than war.
h) You or Your Traveling Companion being directly involved in a traffic Accident substantiated by a police report, while en route to departure.

“Cancel For Any Reason” Protection: Optional coverage applies only when specifically requested and the appropriate additional plan cost is paid.
Not available for residents of Washington State
If You purchase the Cancel For Any Reason protection and You cancel Your Trip for any reason not otherwise covered by this plan, the Insurer will reimburse You for up to 75% of the prepaid, forfeited, non-refundable payments or deposits You paid for Your Trip provided You cancel Your Trip more than two (2) days prior to Your Scheduled Departure Date.

Trip Cancellation: Non-refundable cancellation charges imposed by Your Travel Supplier and/or airfare cancellation charges for flights joining or departing Your Land/Sea Arrangements; or the additional costs You may incur as a result of a change in the per-person occupancy rate of prepaid travel arrangements if a person booked to share accommodations with You cancels his/her Trip for a covered reason and You do not cancel. If Your Travel Supplier cancels Your Trip, You are covered up to the cost of the ticket or the reissue fee charged by the airline for the tickets. You must have covered the entire cost of the Trip including the airfare.

All cancellations must be reported directly to the Travel Supplier within 72 hours of the event causing the need to cancel, unless the event prevents it, and then as soon as is reasonably possible. If the cancellation is not reported within the specified 72-hour period, the Insurer will not pay for additional charges which would not have been incurred had You notified the Travel Supplier in the specified period. If the event prevents You from reporting the cancellation, the 72-hour notice requirement does not apply; however, You must, if requested, provide proof that said event prevented You from reporting the cancellation within the specified period.

Trip Interruption: Unused, non-refundable travel arrangements prepaid to Your Travel Supplier and additional transportation expenses incurred by You to return home or rejoin the original Land/Sea Arrangements (airfare limited to the cost of one-way air fare, using the same class of fare as the original travel ticket, by scheduled carrier, from the point of destination to the point of origin shown on the original travel tickets) less the value of applied credit from an unused return travel ticket. In no event shall the amount reimbursed exceed the lesser of the amount You pre-paid for Your Trip, or the maximum benefit shown on the Schedule of Coverage and Services; or the additional costs You may incur as a result of a change in the per-person occupancy rate of prepaid travel arrangements if a person booked to share accommodations with You cancels his/her Trip for a covered reason and You do not cancel.

Trip Delay: The Insurer will reimburse You for covered expenses on a one time basis, up to the maximum shown on the Schedule of Coverage and Services, if You are delayed en route to or from the covered Trip for six (6) or more hours due to a covered reason. Covered expenses include Your additional transportation cost to join the Trip or return home and up to \$150 per day for reasonable additional expenses incurred for meals and lodging or any prepaid, unused, non-refundable land and water accommodations. Covered reasons for Trip Delay are: Any delay of a Common Carrier (including Inclement Weather); You or Your Traveling Companion being delayed by a traffic Accident while en route to a departure; lost or stolen passports, money, or travel documents; quarantine; hijacking, unannounced Strike, Natural Disaster.

Missed Connection: Covers missed Cruise or Trip departures which result from cancellation or delay for three (3) or more hours of all regularly scheduled airline flights due to any delay of Your Common Carrier (including Inclement Weather). Maximum benefits of up to the amount shown on the Schedule of Coverage and Services are provided to cover additional transportation expenses needed for You to join the departed Cruise or Trip, reasonable accommodations, and meal expenses and non-refundable payments for the unused portion of Your Cruise or Trip. Coverage will not be provided to individuals who are able to meet their scheduled departure but cancel their Trip due to Inclement Weather.

Part B – MEDICAL PROTECTION

Emergency Accident and Sickness Medical Expense:

The Insurer will pay benefits up to the maximum shown on the Schedule of Coverage and Services, for Covered Medical Expenses You incur during Your Trip for Emergency Treatment as a result of an Accidental Injury which occurs on the Trip or a Sickness which first manifests itself during the Trip. "Emergency Treatment" means necessary medical treatment, including services and supplies, which must be performed during the Trip due to the serious and acute nature of the Accidental Injury or Sickness.

"Covered Medical Expenses" are necessary services and supplies which are recommended by the attending Physician. They include, but are not limited to: the services of a Physician; charges for Hospital confinement and use of operating rooms; charges for anesthetics (including administration); x-ray examinations or treatments, and laboratory tests ambulance service; and drugs, medicines, prosthetic and therapeutic services and supplies. The Insurer will not pay benefits in excess of the Reasonable and Customary Charges.

"Reasonable and Customary Charges" means charges commonly used by providers of medical care in the locality in which care is furnished. The Insurer will not cover any expenses provided by another party at no cost to You or already included within the cost of the Trip. The Insurer will pay benefits, up to \$750.00, for emergency dental treatment for Accidental Injury to sound natural teeth. The Insurer will advance payment to a Hospital, up to the maximum shown on the Schedule of Coverage and Services, if needed to secure Your admission to a Hospital because of Accidental Injury or Sickness.

Emergency Evacuation: The Insurer will pay, subject to the limitations set out herein, for Covered Emergency Evacuation Expenses reasonably incurred if You suffer an Injury or Emergency Sickness that warrants Your Emergency Evacuation while You are on a Trip. Benefits payable are subject to the maximum amount per person shown on the Schedule of Coverage and Services for all Emergency Evacuations due to all Injuries from the same Accident or all Emergency Sicknesses from the same or related causes. A legally licensed Physician, in coordination with the Assistance Company, must order the Emergency Evacuation and must certify that the severity of Your Injury or Emergency Sickness warrants Your Emergency Evacuation to the closest adequate medical facility. In the sole discretion of the Assistance Company, it must be determined that such Emergency Evacuation is required due to the inadequacy of local facilities. The certification and approval for Emergency Evacuation must be coordinated through the most direct and economical conveyance and route possible, such as air or land ambulance, or commercial airline carrier.

"Emergency Evacuation" means Your medical condition warrants immediate transportation from the place where You are injured or sick to the nearest Hospital where appropriate medical treatment can be obtained. Transportation means any land, sea or air conveyance required to transport You during an Emergency Evacuation. Transportation includes, but is not limited to, Common Carrier, air ambulances, land ambulances and private motor vehicles.

"Covered Emergency Evacuation Expenses" are those for Medically Necessary Transportation, including Reasonable and Customary Charges for medical services and supplies incurred in connection with Your Emergency Evacuation. Expenses for Transportation must be: (a) recommended by the attending Physician; (b) required by the standard

regulations of the conveyance transporting You and (c) reviewed and pre-approved by the Assistance Company. The Insurer will also pay Reasonable and Customary Charges for escort expenses required by You, if You are disabled during a Trip and an escort is recommended in writing, by Your attending Physician and must be pre-approved by the Assistance Company.

If You are hospitalized for more than 7 days following a Covered Emergency Evacuation Expense, the Insurer will pay subject to the limitations set out herein, for expenses: 1) to return to the United States where they reside, with an attendant if necessary, any of Your Dependent Children who were accompanying You when the Injury or Emergency Sickness occurred: but not to exceed the cost of a single one-way economy airfare ticket less the value of applied credit from any unused return travel tickets per person. 2) to bring one person chosen by You to and from the Hospital or other medical facility where You are confined if You are traveling alone: but not to exceed the cost of one round-trip economy airfare ticket.

Medically Necessary Repatriation: Following a covered Emergency Evacuation expense or a covered medical expense, the Insurer will pay to return You from the location to which You were evacuated or became sick or injured to Your return destination or the Hospital nearest Your home if medically necessary and authorized by the Assistance Company via Common Carrier, within one year from Your original Trip completion date. Commercial airfare costs will be in the same class of service, as Your original airline tickets, or in business or first class as in compliance with Your medical necessities and requirements upon Your discharge, less refunds from Your unused transportation tickets. "Emergency Sickness" means an illness or disease, diagnosed by a legally licensed Physician, which meets all of the following criteria: (1) there is a present severe or acute symptom requiring immediate care and the failure to obtain such care could reasonably result in serious deterioration of Your condition or place Your life in jeopardy; (2) the severe or acute symptom occurs suddenly and unexpectedly; and (3) the severe or acute symptom occurs while Your coverage is in force and during Your Trip.

Repatriation of Remains: The Insurer will pay reasonable Covered Expenses incurred to return Your body to Your primary residence if You die during the covered Trip. This will not exceed the maximum shown on the Schedule of Coverage and Services. Covered Expenses include, but are not limited to, expenses for embalming, cremation, minimally necessary coffins for transport, and transportation. The Pre-Existing Conditions Exclusion does not apply to Emergency Evacuation and Repatriation of Remains.

All transportation must be authorized and arranged by the Assistance Company.

Part C – BAGGAGE PROTECTION

Baggage/Personal Effects: The Insurer will reimburse You up to the maximum shown on the Schedule of Coverage and Services for loss, theft, or damage to Baggage and personal effects. The Insurer will pay the lesser of the following: Actual Cash Value at the time of the loss, less depreciation as determined by the Insurer, or the cost of repair or replacement. There is a limit of \$250 per article. There will also be a combined maximum limit of \$500 for the following: jewelry; watches and cameras, including related equipment; articles consisting in whole or in part of silver, gold, or platinum; furs and articles trimmed with or made mostly of fur. The Insurer will also reimburse You for charges and interest incurred due to unauthorized use of Your credit cards if such use occurs during Your Trip and if You have complied with all credit card conditions imposed by the credit card companies. The Insurer will reimburse You for fees associated with the replacement of Your passport during Your Trip. Receipts are required for reimbursement.

Baggage Delay (Outward Journey Only): The Insurer will reimburse You for expenses for necessary personal effects, up to the maximum shown on the Schedule of Coverage and Services, if Your checked Baggage is delayed or misdirected by a Common Carrier for more than 12 hours from the time You arrive at the destination stated on the ticket, except travel to Your final destination or Your place of residence. You must be a ticketed passenger of a Common Carrier.
